Summary: If you are looking for a Sci-Fi, supernatural, or Adventure this your type of story. It all started on Reach, when some farmers were working on the fields. Just an ordinary day. Mark (one of the lead farmers son) was taking over for his father had grown old, and weak. He look over to see his best friend's dad work on his side. When he heard a familiar sound. seek peak of CH.

2.

Reach

****Reach****

"Year 2687, ever day our earth takes it few last breath of life. We have not heard anything from the planet reach, if our plants and will can grow without problem. This has been Jazmine Peterson in "Our New life. Now here's Bella, with job percentage." "Thank you Jazmine, -citizens still working is about 12.89%. There is one job still looking from member that would help out with reach. Here's Brody with sports."

"We need more recruits in the war, or we are done for." "Jordan, how are our defenses holding up?"

"Not well Anthony, we have loss bravo, and are losing Charlie."

"How many solider are left in Charlie?"

"2578."

"They well last until we get back. Whatever John has to tell us it better be important."

"I agree."

The falcon touches down and the Spartans walk out. They are rushed by

Field Marshal John. "We've got a recruit here. He just arrive two Hours ago."

â€|

"His name is Johnny."

"What's his last name?"

"I can't pronounce it, but it starts with a D."

"Attention!"

"What is your name solider?"

"Johnny, sir"

"So Johnny. What is your specialty?"

"Anything you need me for sir."

End
file.
